**Coming soon to a  
Courthouse Near You!**

The U.S. District Court of Minnesota is pleased to offer demonstrations of our new CM/ECF (case management/electronic case filing) system to the legal community. The purpose of the demonstrations is to provide customers with an introduction to the software, a description of procedural details, and a timeline of when the system will be available to attorneys. Mark your calendars and be sure to attend one of the sessions at a courthouse near you. Call Kristine Wegner at 612-664-5125 or send an e-mail to the address listed on the flyer to sign up for a demonstration.

### **Additional Tips . . .**
